EDUCATION

Marathwada Mitra Mandal's Institute of Technology, Pune   2020-2024
Bachelor of Engineering, Computer Engineering   **CGPA: 8.57**

Maharashtra State Board – HSC   2019-2020
Class XII   **Percentage: 77.38**

Maharashtra State Board – SSC   2017-2018
Class X   **Percentage: 88.80**

WORK EXPERIENCE

Data Science Intern – Code Clause   Apr 2022 - May 2023

- Developed and implemented multiple data science models during the internship, contributing to the company's data-driven decision-making process. Collaborated with the team to gather requirements, analyze data, and interpret results, demonstrating strong teamwork and communication skills.

- Successfully completed three major data analytics projects, utilizing a combination of data exploration, visualization, and statistical analysis to derive valuable insights.

Web Developer Intern – Bharat Intern   May 2022 - Jun 2023

- Developed three major web projects during the internship, showcasing proficiency in web development technologies and frameworks.

- Collaborated with the development team to design and implement user-friendly interfaces and responsive layouts for the web applications. Utilized HTML, CSS, JavaScript

PROJECTS

Maharashtra State Tourism – Website   GitHub Link

- Designed a comprehensive tourism website from scratch using HTML5, CSS, JSP, JavaScript, and MySQL Connectivity. Demonstrated expertise in web development, creating visually appealing and interfaces.

Uber Data Analysis – Data Science Project   GitHub Link

- Executed a comprehensive Uber data analytics project employing various mathematical methods, including linear regression, logistic regression, decision trees, random forests, and gradient boosting.

AICTE - Android App   GitHub Link

- Proficiently developed a user-friendly Android app for AICTE organization, featuring data visualization and an attractive user interface (UI). Demonstrated expertise in creating visually engaging apps that promote seamless user experiences. Statistical

Skills

Technical Skills

- C++, Java, Python, DSA, OOP, HTML, CSS, JavaScript, UI/UX.
- Database Management System, Data Science, Software Project Management, Android.

Soft Skill

- Leadership, Problem Solving, Teamwork, Smart Work, Decision Making, Active Learning

ACHIEVEMENTS

- Ideathon 2k22 (SPPU University Level), Pune (Winner)
- Smart India Hackathon 2022 IIT-BHU, Varanasi (Finalist at SIH Grand Finale)
- National Forensic Science Hackathon, Gandhinagar (Finalist)

ACTIVITIES

Training and Placement Coordinator at MMIT   Jul 2023 - Present

Managed the workflow in the Training and Placement Coordinator team and resolve the queries of students and help them to prepare for their placement drives.

Technical Student Head at MMIT   Jul 2023 - Present

Managed the whole technical events. Arrange webinars to enhance technical skills. Conducted Techno-sci 2k23 and coordinated all technical student members also work on several tech projects.
